

BRODITOP[®]

WHEAT BAIT

Active: Brodifacoum 50ppm
Colour: Blue
Size: 10kg
SKU: 1101004014

Broditop grain baits are formulated using wholewheat grain enriched with attractants.

The unique manufacturing process of the cereals, combined with Special Absorption Technology (SAT), ensures the even distribution of the active ingredient and attractants throughout the grains. This results in a wholewheat bait with long-lasting stability and high palatability.

Benefits and features:

- Suitable for Mice and rats
- For use in and around Buildings.
- No known resistance to Brodifacoum
- Utilises Special Absorption Technology (SAT), for maximum efficacy and attractiveness
- Supplied loose in bulk tubs
