

## Sleek trap for catching common and long tailed Silverfish

Designed to last the 3-5 lifespan of the Silverfish, the food based lure will draw Silverfish in and protect home and business environments where damage can be caused.

- Monitoring trap
- Simple design and concept
- Non toxic food based lure that has a 3 year shelf life
- 100% poison-free
- Portable, reusable, robust trap – useful carry handle on the side
- Waterproof – ideal for use in humid environments that Silverfish prefer
- Suitable for hospitals, schools, offices and homes

- Carry Handle
- Discreet trap lid protects lure from tampering whilst allowing users to monitor and check for captured pests
- Rough sloped edges to allow the Silverfish to climb the edge of the trap.

For illustration purposes only.
