

Superior performance, smarter savings.

Upgrade with confidence and future-proof your business with longer-lasting, cost-effective, high-performance retrofit LED tubes.

SKU code: 1106002614

Includes 1 Opti-catch tube & 1 Starter.

- **BRCGS COMPLIANT**
- **LOWEST LIFECYCLE COST FOR 3 YEAR PERIOD**
- **3 YEAR LIFE**
- **LIKE-FOR-LIKE FLY CATCH EFFICACY**
- **SUITABLE FOR MAGNETIC BALLASTS**

■ **BRCGS compliant:** **BRCGS** In Partnership with
Meets the latest BRCGS specification for retrofit LED tubes.

■ **Lower Total Lifecycle Cost:**
Our premium LED retrofit tube reduces long-term expenses with its guaranteed 3 year lifespan.

■ **Superior Performance:**
Like-for-like efficacy compared to fluorescent maintains the proven effectiveness, ensuring no compromise in performance.

■ **Exclusive Visible LED Technology:**
Four visible LED chips provide a clear signal that the unit is operating, enhancing perceived value and user confidence while ensuring optimal fly control.

■ **Plug-and-Play Installation:**
No electrician required – seamlessly retrofits into existing magnetic ballast ILTs.

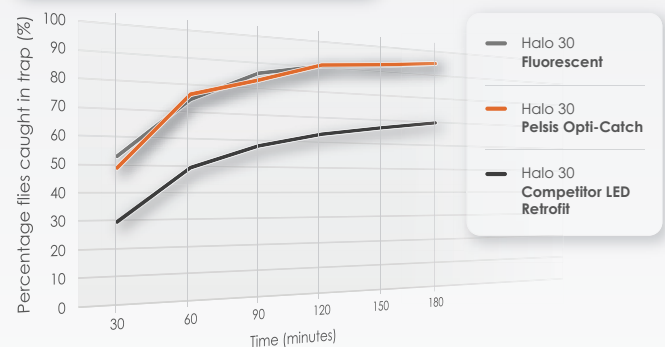

■ **Sustainability & Compliance:**
Longer lamp life reduces electronic waste, aligns with energy efficiency regulations, and enhances ESG credentials.

■ **Enhanced Safety:**
Shatterproof coating ensures durability, reduces glass contamination risk and suitability for sensitive environments.

■ **Food-Safe Protection:**
FEP-coated glass tube prevents glass contamination, making it ideal for food environments.

■ **Maximised Fly Catch:**
Diffusion technology enhances UV dispersion, attracting more flies for superior pest control.
