

Sanibin® Hygiene Bins

Contemporary, dignified hygiene disposal for all washroom users

The Sanibin® range of hygiene bins has evolved to meet the needs of modern, inclusive washroom environments. Available in 15L and 20L capacities, in Black & Silver or Grey & White finishes, these sleek, easy-clean bins are ideal

for all **users, female, male and non-binary**, who require a private and hygienic solution for the disposal of sanitary products, incontinence pads, stoma bags, and other personal care waste.

Why Choose Sanibin®?

- **Inclusive by design** – ideal for all washroom users with personal hygiene or medical disposal needs
- **Contemporary styling** for premium environments, with family-friendly design cues
- **Discreet, low-friction modesty flap** to preserve user dignity
- **Large wraparound foot pedal** for hygienic, hands-free use
- **Front-opening flap** for flexible placement in tight washrooms
- **Bag tidy system** for discreet liner use and easy servicing
- **Robust handle** for fast relocation and reduced service time
- **Premium gloss finish** – available in Black/Silver or Grey/White
- **Wall-mount option** for improved hygiene and floor cleaning access
- **Manufactured from tough ABS** with a 5-year guarantee
